Today Trinity Industries, Inc. filed an 8-K with this information:

On August 18, 2016, Trinity Industries, Inc. and Trinity Highway Products, LLC (together the “Company”) received confirmation from the U.S. Attorney for the District of Massachusetts that it has closed its investigation into the Company’s ET 2000 and ET Plus guardrail end-terminal products without taking enforcement action.

On April 28, 2015, the Company received a subpoena from the U.S. Department of Justice through the U.S. Attorney for the District of Massachusetts requesting documents from 1999 through the present relating to the ET 2000 and ET Plus guardrail end-terminal products. The Company cooperated fully with the government’s inquiry.
